## NOTES TO THE FINANCIAL STATEMENTS

### For the Year Ended 31 May 2023

The financial report is for North Haven Bowling & Recreation Club Limited as an individual entity, incorporated and domiciled in Australia. North Haven Bowling & Recreation Club Limited is a Company limited by guarantee.

The financial report was authorised for issue on 18 July 2023 by the Board of Directors.

#### Note 1 Summary of Significant Accounting Policies

##### Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures of the Australian Accounting Standards Board (AASB) and the Corporations Act 2001.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied, unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

##### Accounting Policies

###### (a) Income Tax

The Company has been granted an exemption from income tax under Section 50-45 of the Income Tax Assessment Act 1997. The exempt status of the Company applies indefinitely or until such time as a change in circumstances warrants a review of the exempt status.

###### (b) Inventories

Inventories are measured at the lower of cost and net realisable value.

###### (c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

##### Property

Freehold land and buildings are measured on the cost basis less, where applicable, accumulated depreciation for buildings and any impairment losses.

# North Haven Bowling & Recreation Club Limited

ABN 20 001 045 969

## NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 May 2023

### Note 1 Summary of Significant Accounting Policies (continued)

#### (c) Property, Plant and Equipment (continued)

##### Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised in profit or loss. An assessment of the recoverable amount is made when impairment indicators are present (refer to Note 1(e) for details of impairment).

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

##### Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Company commencing from the time the asset is held ready for use. Depreciation is recognised in profit or loss.

The depreciation rates used for each class of depreciable assets are:

<i>Class of Fixed Asset</i>	<i>Depreciation Rate</i>
Buildings and improvements	5%
Plant and Equipment	5-33.3%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise.

#### (d) Investment Property

Investment property, comprising a freehold motel property, is held to generate long-term rental yields. The lease is held on an arm's length basis. Investment property is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Investment property, excluding freehold land, is depreciated on a straight line basis over the life of the asset at a depreciation rate of 5.0%.

## NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 May 2023

### Note 1 Summary of Significant Accounting Policies (continued)

#### (e) Financial Instruments

##### Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date the Company commits itself to either the purchase or sale of the asset.

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified at "fair value through profit or loss" in which case transaction costs are expensed to profit or loss immediately.

Trade receivables are initially measured at the transaction price.

##### Classification and Subsequent Measurement

###### *Financial liabilities*

Financial liabilities are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense in profit or loss over the relevant period.

The effective interest rate is the internal rate of return of the financial asset or financial liability, that is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

###### *Financial assets*

Financial assets are subsequently measured at amortised cost.

Financial assets comprising cash and cash equivalents, trade and other receivables and interest bearing deposits are subsequently measured at amortised cost as they meet the following conditions:

- the financial assets are managed solely to collect contractual cash flows; and
- the contractual terms within the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

# North Haven Bowling & Recreation Club Limited

ABN 20 001 045 969

## NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 May 2023

### Note 1 Summary of Significant Accounting Policies (continued)

#### *Derecognition*

##### *Derecognition of financial liabilities*

A liability is derecognised when it is extinguished (ie when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

##### *Derecognition of financial assets*

A financial asset is derecognised when the Company's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All of the following criteria need to be satisfied for derecognition of a financial asset:

- the right to receive cash flows from the asset has expired or been transferred;
- all the risks and rewards of ownership of the asset have been substantially transferred; and
- the Company no longer controls the asset.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

#### *Impairment of Financial Assets*

The Company recognises a loss allowance for expected credit losses on financial assets that are measured at amortised cost.

##### Recognition of expected credit losses in financial statements

At each reporting date, the Company recognises the movement in the loss allowance as an impairment gain or loss in the statement of comprehensive income.

The carrying amount of financial assets measured at amortised cost includes the loss allowance relating to that asset.

#### **(f) Impairment of Non-Financial Assets**

At the end of each reporting period, the Company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised in profit or loss.

Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Impairment testing is performed annually for intangible assets with indefinite useful lives.

# North Haven Bowling & Recreation Club Limited

ABN 20 001 045 969

## NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 May 2023

### Note 1 Summary of Significant Accounting Policies (continued)

#### (g) Intangible Assets

##### *Poker Machine Licences*

Poker machine licences are recognised at cost of acquisition. Poker machine licences are tested annually for impairment and carried at cost less accumulated impairment losses.

##### *Other Intangibles*

Other intangibles are recognised at cost of acquisition. Other intangibles are amortised over their useful life.

#### (h) Employee Benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements.

Contributions are made by the Company to employee superannuation funds and are charged as expenses when incurred.

#### (i) Provisions

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### (j) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

#### (k) Revenue

Revenue is recognised when control of the goods and services has transferred to the customers. For such transactions, this is the point in time when the goods are delivered to the customers or the services are received by customers.

Interest revenue is recognised using the effective interest method.

Receivables are recognised when items are delivered or services received, as at this point consideration is unconditional since only time needs to pass before payment of that consideration is due.

# North Haven Bowling & Recreation Club Limited

ABN 20 001 045 969

## NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 May 2023

### Note 1 Summary of Significant Accounting Policies (continued)

#### (l) Trade and other payables

Trade and other payables are carried at amortised cost and represent the liabilities for goods and services received by the Company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. Trade and other payables are initially measured at fair value and subsequently measured at amortised cost using the effective interest method.

#### (m) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

#### (n) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities, which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### (o) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

## NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 May 2023

### Note 1 Summary of Significant Accounting Policies (continued)

#### **(p) Critical Accounting Estimates and Judgements**

The Directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Company.

#### ***Key estimates - Impairment***

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

No impairment has been recognised in respect of intangible assets for the year ended 31 May 2023.

#### **(q) New and Amended Accounting Standards Adopted by the Company**

The Company has adopted AASB 2020-1 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current. This Standard amends AASB 101 to clarify requirements for the presentation of liabilities in the statement of financial position as current or non-current. For example, the amendments clarify that a liability is classified as non-current if an entity has the right at the end of the reporting period to defer settlement of the liability for at least 12 months after the reporting period.

#### (d) Collateral Provided

##### Business Loans

Business loans are drawn as the primarily source of long term finance. The business loans are interest only and the term of each facility is 5 years, expiring 12 March 2024. The interest rates on the business loans are a combination of fixed and variable rates.

The Commonwealth Bank of Australia, has a registered first mortgage over the freehold property situated at 1 Woodford Road North Haven, registered first mortgage over the Haven Waters Motel freehold property situated at 9 The Parade North Haven and a registered first equitable mortgage over the whole of the assets and undertakings of the Company including uncalled capital. The first equitable mortgage, which is also held over the Company's liquor licence, secures current and future borrowings of the Company.

##### Other Loans

Other loans are secured and comprise of finance contracts for the purchase of poker machines with terms of 1 to 3 years. The loans are interest free.

##### Government Loan

The Special Disaster Bushfire Recovery loan, with a term of 10 years, was provided during 2021 by the New South Wales Rural Assistance Authority and is secured by a registered second mortgage over the freehold land of the Company. The loan was interest free for the first 2 years. Interest started being charged from 30 September 2022 at 50 percent of the 10-year Commonwealth Bond rate average from 1 April to 30 June of the preceding financial year.

## Opinion

We have audited the financial report of North Haven Bowling and Recreation Club Limited, which comprises the Statement of Financial Position as at 31 May 2023, the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Directors' Declaration.

In our opinion, the accompanying financial report of North Haven Bowling and Recreation Club Limited is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Company's financial position as at 31 May 2023 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - *AASB 1060: General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the *Corporations Regulations 2001*.

## Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Information Other than the Financial Report and Auditor's Report Thereon

The Directors are responsible for the other information. The other information comprises the information included in the Company's annual report for the year ended 31 May 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Directors for the Financial Report**

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - *AASB 1060: General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

**Auditor's Responsibilities for the Audit of the Financial Report (continued)**

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
