A LITTLE NOTE IN REGARDS TO SEAFOOD & LABELLING

From 1 July 2026, the new Australian Consumer Law for seafood labelling in hospitality settings comes into effect. These changes aim to give customers clear information about the origin of seafood served in restaurants, cafes, pubs, clubs and other venues.

The Labelling system follows the AIM model:

- **A - Australian**

The seafood was caught or farmed in Australia.

- **I - Imported**

The seafood was caught or farmed in another country.

- **M - Mixed Origin**

The dish contains seafood from both Australian and overseas sources.

Other labels in menu:

- **V - Vegetarian**

- - Gluten Free
